

Pumpkin Pencils

Supplies needed:

- 2 pre-cut craft foam pumpkin shapes or draw and cut your own in different size and shapes.
- Sulyn glitter glue in green, copper, black and orange
- Pencils
- Scissors if you are drawing your own pumpkins
- White craft glue

Instructions:

1. On your pumpkin, draw a smiley jack-o-lantern face.
2. Fill in with glitter glue.
3. Add leaves or any other decoration you wish.
4. Let dry (this can take up to 24 hrs. depending on the thickness of the glue that has been applied)
5. Glue a plain foam or your cut out pumpkin to the back of the decorated jack-o-lantern, with your pencil in the middle. Use a generous portion of craft glue.
6. Weigh it down the heavy book while the pieces dry together.
