

Sticky Note Holders

Supplies needed:

- Flower die cut (Micheal's sells one under their Creatology brand)
- Scrapbook Paper with your favorite pattern
- Ribbon
- Buttons
- Sulyn Fairy Dust Glitter
- Mod Podge
- Flat Paintbrush
- Glue
- Acrylic Paint (color of your choice)
- Small Sticky Note Pad
- Pencil
- Scissors
- Buttons (optional)

Instructions:

1. Lay the die cut down on the paper and trace the flower pot and then cut it out.
2. Paint flower and stem and let dry.
3. Use glue or Mod Podge to adhere paper to pot
4. Glue ribbon to top of flower pot and add buttons (if you like).
5. Brush a coat of Mod Podge over the entire flower and then cover with glitter.
6. Shake off excess onto a sheet of paper and reuse.
7. Adhere Sticky Note Pad to center of pot or flower using any adhesive.
